

2007-08 Leadership Giving

2008

Over 350 donors made a huge difference in our community and gave at or above the Leadership level. Through the generosity of their financial contributions, they empower us to create lasting change and improve life for everyone who lives and works in Somerset County.

Leadership Giving recognition starts at \$1,500 for Somerset County United Way.

Please note, we are grateful for every supporter and regret any errors or omissions of our online list. Robert Albano
