United Way wants your mittens

STAFF REPORT

Kathleen Cirioli, director of the Kathleen Academy of Dance located in Hillsborough, is once again asking students to donate a pair of mittens or gloves to be given to needy children and adults to be donated to the Somerset County United Way "Wrapped In Love" program.

The dance studio has been doing this since 2002, and Cirioli has reached out to dance studios throughout the country asking them to do the same thing in the area. Each year more and more dance studios throughout the U.S. have begun to join in this effort at their locations.

Families are asked to donate a pair of mittens (or gloves) for a boy, girl or adult to hang on a tree at the dance studio. To make a donation of a pair of mittens or gloves, stop by the Kathleen Academy of Dance, 411 Route 206 (behind Dunkin Donuts) Monday through Friday evenings between the hours of 5 to 8 p.m.

For more information, call Kathleen Academy of Dance at 908-359-8888 or e-mail kadstudio@gmail.com.
