

## Ways to Say “Thank You”

After concluding your campaign, it is very important to say thanks to all employees who helped make it a success. There are many ways to say thank you to your co-workers who helped make the campaign possible. Consider one of the following ways:

### United Way Merchandise

Give United Way T-shirts, pens or note pads. Create your own or order items from the United Way store. [www.unitedwaystore.com](http://www.unitedwaystore.com)

### Thank You Sack Lunch

Order sack lunches for every donor. Include a thank you note from your CEO and Philip A. Brown III, CEO of Somerset County United Way. You might even want to include thank you drawings or letters from children served by a United Way agency.

### Prize Patrol

Have management or the campaign committee wheel the prizes around the office on a cart until they reach the winner for public recognition. If you do this once a day during your campaign, it serves as a reminder to others to turn in their pledge form.

### Waffle/Pancake Breakfast

Have management serve breakfast to everyone who contributed.

### Milk and Cookies

Design a special cookie wrapper with a thank you message. Place the wrapper around a package of cookies (homemade, please!)

### Balloons and Flowers

Surprise each donor the last day of the campaign. Place a balloon or flower at their desk to thank them for their generosity.

### Candy Gram

Show your employees a little appreciation with a treat for their sweet tooth! Distribute candy bars with a thank you message attached to all who contributed to the United Way campaign.

### Scooping Up Success

An ice cream social to celebrate the campaign is a great way to say thank you. Have the management team scoop up the ice cream and personally thank each employee.
